**EN** Insert a pin into the reset pin hole.

**DE** Zur Störungsbehebung stecke einen Stift in das Reset-Loch.

Reset pin hole

# Compliance

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

## Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## Caution

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

## FCC radiation exposure statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

## Safety instructions

Please read these instructions, keep them and follow them.

- Do not tamper with your tuner.
- Do not attempt to disassemble or open your tuner. Substances contained in this product and/or its battery may damage the environment and/or human health if handled and disposed of improperly.
- Do not expose your tuner to extremely high or low temperatures.
- Do not leave your tuner in direct sunlight for an extended period of time.
- Do not leave your tuner near open flames.
- Do not dispose of your tuner in a fire. The battery could explode.
- Do not use abrasive cleaners to clean your tuner.
- Do not place your tuner in a dishwasher, washing machine or dryer.
- Regardless of what reasons cause unit damage, please ask for the maintenance personnel to repair it.

## Warning

The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

## Caution

Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

## Correct disposal of this product.

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

Operating temperature 32-104°F (0-40°C).

# Conformité électronique

Cet appareil est conforme aux CNR exemptes de licence d'Industrie Canada. Son fonctionnement est soumis aux deux conditions suivantes:

- ( 1 ) Ce dispositif ne peut causer d'interférences; et
- ( 2 ) Ce dispositif doit accepter toute interférence, y compris les interférences qui peuvent causer un mauvais fonctionnement de l'appareil.

### **Disclaimer**

This manual describes the version of Roadie Bass as of February 2018. Although Band Industries has made every effort to ensure that the information contained in it was correct at publish time, it does not assume and hereby disclaim any liability to any party for any loss, damage or disruption caused by errors or omissions, whether such errors or omissions result from negligence, accident or any other cause. The information in this Product Manual is subject to change without notice. Band Industries makes no representations or warranties with respect to the content hereof and specifically disclaims any implied warranties of merchantability or fitness for any particular purpose. Band Industries reserves the right to revise this publication and to make changes from time to time in the content hereof without obligation of Band Industries to notify any person of such revision or changes.

### **Copyright**

This publication, including all photographs, illustrations and software, is protected under international copyright laws, with all rights reserved. Neither this Product Manual, nor any of the material contained herein, may be reproduced without written consent of Band Industries.

### **Trademark recognition**

Band Industries, the Band Industries logo, Roadie, and Roadie Tuner are trademarks and/or registered trademarks of Band Industries, Inc. in the U.S., E.U. and other countries.

## **One year limited warranty**

Band Industries warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Band Industries does not warrant against normal wear and tear, nor damage caused by accident or abuse.
